Next to the hotel, there is a busy bank and a small bookshop that sells rare history books.

The town is usually very quiet from Monday to Friday, but it is busy on weekends. On Saturdays, there is a big market in the main square. The market is fantastic and cheap. You can buy fresh food, old books, and clothes there.

South Wells has a small park near the sea, but there is not a cinema in the town. Visitors must travel to the next town to watch films. There is a small train station down Station Road, so it is easy to arrive here without a car.
