

Monday

Today the weather is sun/sunny. The sun/sunny shines all day. Perfect for having a walk outside.

Tuesday

I woke up and saw that it was cloud/cloudy outside. There are a lot of grey clouds/cloudy in the sky. I hope it won't rain/rainy.

Wednesday

It's really wind/windy! The wind/windy blows very hard. I'm afraid the tree will fall.

Thursday

Terrible! It's very fog/foggy. I can't see anything through it. The fog/foggy is so thick.

Friday

Finally! It's sun/sunny and warm. There is no rain/rainy, no wind/windy. And I don't see any storm clouds/snowflakes coming.
