Thank You Notes on Air

Welcome to the lunch break radio show! This is DJ Eunho from the studio. The Thank You Note Event ended yesterday. We got many notes. I will share some with you.

The first note is from Dahyeon for her friend Lina.

"Hi, Lina. You and I did the science project together. It went well, thanks to you. Your ideas and energy were a great help!"

Lina is fantastic!

I will read another note from Junseo. It's for our school nurse, Mr. Kim.

"Mr. Kim, this is Junseo. I had a stomachache two weeks ago. You took good care of me. It really hurt then, but I'm well now. Thank you very much."

Mr. Kim is so good to us!

Here is a note from Jiu for our lunch staff.

"Last Friday, you prepared chocolate cake for dessert. That's my favorite! I felt happy with the cake. You made my day."

I also enjoy our lunch menus. Wow, our school is full of wonderful people!
