Choose the correct answer.

Comel is a cat. He lives in a small town with his owners and three young kittens. He is the oldest cat, so he has daily duties. Every morning, he wakes up at 6.00 a.m. and helps to wake up the family. At 7.00 a.m., he gets ready and leaves the house at 7.15 a.m. He walks around the garden with his friend, Buster the neighbor's dog. His morning patrol starts at 7.30 a.m. and ends at 1.30 p.m.

After his patrol, Comel helps the little kittens clean their fur. He also helps his owner chase birds away from the porch. In the evening, Comel likes taking long naps or looking out the window. On Sundays, he loves playing with a yarn ball.

The cats eat their dinner together at 7.30 p.m. They rarely eat dry kibble because they prefer wet canned food. After dinner, Comel sits with his owners before bedtime. He goes to sleep by 9.30 p.m. because his day starts early.

Comel has a busy life, but he enjoys living with his pack. Guarding the house and looking after the kittens makes him a good pet. He loves his family very much.
