## LISTENING PRACTICE 5

***Listen and fill in the blank with NO MORE THAN THREE words***

1: Where did she leave the keys?

**Janet** I can't find my keys anywhere. Do you know **(1)** _____, Kevin?

**Kevin** No, Janet, I haven't seen them. Don't you usually keep them in your bag?

**Janet** Usually, but I've looked there.

**Kevin** Ah – hang on. Are those your keys, on the table?

**Janet** Did you say **(2)** _____?

**Kevin** No Janet! On the table, between the telephone and those old pencils!

**Janet** Ah yes, here they are! Thanks Kevin, you're wonderful!

2: How did she get to school?

**Girl** Well, I'm never doing that again!

**Boy** What's the matter?

**Girl** You know I always come to school by bus? Well, the bus **(3)** _____ today ....

**Boy** Mmm...?

**Girl** So, I thought it would be a good idea to walk. My brother offered to drive me here but I don't like using the car if possible. But it's much further to school than I thought! And I'm wearing new shoes and now my feet hurt!

**Boy** Oh dear. Maybe next time you should **(4)** _____ your brother's offer!

3: Where is the supermarket?

**Dad** Suzie, can you go to the new supermarket for me and **(5)** _____ some food for lunch?

**Girl** New supermarket? Where's that?

**Dad** You know, along the High Street, opposite the garages.

**Girl** Oh, that's really far away, Dad! Can't you drive there?

**Dad** No, there's only a small car park in front of it. There's no **(6)** _____.

**Girl** Why didn't they build a supermarket on the corner! There's a lot more space for cars there....

4: What was the weather like yesterday?

**Woman** Well, the good news for everyone is that tomorrow's weather looks very good. There will be a lot of **(7)** _____ for most of us, which will be a change from the terrible wind and rain we've had today. So, get your sunglasses out, because tomorrow's weather will be the same as it was yesterday – so you can start **(8)** _____!

5: What are they going to give their daughter?

**Man** It's Claire's birthday next week, what shall we get her?

**Woman** Oh, **(9)** _____ Colin, a new jacket!

**Man** Really? That's not going to be very exciting for her.

**Woman** But she loves clothes! As long as it's the latest fashion, she'll be happy.

**Man** Why don't we get her a jacket and **(10)** _____ boots?

**Woman** Yes, why not? She'd be pleased with that. Not white, though: they'll get dirty.
