

Do you remember
When we fell in love
We were and then
Do you remember
How it all
It just seemed like so why did it end?

Do you remember
Back in the fall
We'd be all day long
Do you remember
Us
In each other's eyes we'd
(Tell me)

Do you remember the time
When we fell in love
Do you remember the time
When we first met girl
Do you remember the time
When we fell in love
Do you remember the time

Do you remember
How we used to
(Ya know)
We'd stay on the at night till dawn
Do you remember
All the things we said like
I love you so I'll never

Do you remember
Back in the
Every morning birds would
Do you remember
Those times
They'll just go on and on
In the of my mind

Do you remember the time
When we fell in love
Do you remember the time
When we first met girl
Do you remember the time
When we fell in love
Do you remember the time

Those sweet

Will always be to me
And girl no matter what was said
I will never what we've been through
My baby!

Do you remember the time
When we fell in love
Do you remember the time
When we first met
Do you remember the time
When we fell in love
Do you remember the time

Do you remember the time
When we fell in love
Do you remember the time
When we first met
Do you remember the time
When we fell in love
Do you remember the time

Remember the times
Ooh
Remember the times
Do you remember girl
Remember the times
On the phone you and me
Remember the times
Till dawn, two or three
What about us girl

Remember the times
Do you, do you, do you, do you, do you
Remember the times
In the park, on the beach
Remember the times
You and me in Spain
Remember the times
What about, what about...

Remember the times
Ooh...in the park
Remember the times
After dark...Do you, do you, do you
Remember the times
Do you, do you, do you, do you
Remember the times
Yeah yeah
