Hello. I'm Julia. I love all fruit, but my favourite fruit is apples. I drink apple juice every morning for breakfast with some bread, and I take two apples to school to eat with my lunch.

Apples are from trees. Some apples are green and some apples are red or yellow. My grandma and grandpa have three apple trees in their garden. Sometimes I help them get the apples from the trees.

My grandma makes fantastic apple cakes and apple pies. I love apple pie and ice cream for tea in the afternoon, it's the best!

- 2 What does she drink for breakfast?
- 3 How many apples does she take to school?
- 4 Where are apples from?
- 5 Who has three apple trees?
- 6 What does Julia love to eat for tea?
