THE PARIS 2024 OLYMPIC VILLAGE

The Olympic Village for the Paris 2024 Summer Games is set to be a vibrant and exciting place. This village is where athletes from all over the world will stay during the Olympics. It has been carefully planned to accommodate the needs of more than 10,000 athletes. The village is located in a special part of Paris, close to the main venues where the competitions will take place.

One of the most distinctive features of the Paris 2024 Olympic Village is its size. It is so big that it will provide comfortable living spaces for thousands of athletes and officials. The village was built with modern and eco-friendly materials to make sure it is both beautiful and functional. Some parts of the village are new, while other areas have been renovated to fit the Olympic standards.

The village aims to create a positive atmosphere by offering a range of facilities and activities for athletes during their free time. This will help them relax and stay focused on their sports. Additionally, the Olympic Village is designed to be used long after the Games have ended. The current plan is to transform the village into between 3,000 and 5,000 new homes as social housing, providing long-term benefits for the citizens of Paris.

23. The Olympic Village is designed to accommodate more than 10,000 athletes during the Paris 2024 Summer Games.

24. All parts of the Olympic Village are newly built for the 2024 Olympics.

25. The village is located far from the main competition venues in Paris.

26. After the Olympics, the village will be converted into social housing for local citizens.

27. What is one of the main purposes of the Olympic Village during the Games?
A. To provide accommodation for tourists
B. To offer a comfortable and eco-friendly living space for athletes
C. To serve as a training center for future athletes
D. To promote tourism in Paris

28. What is planned for the Olympic Village after the Games end?
A. It will be turned into a shopping mall
B. It will be transformed into thousands of new homes
C. It will remain as an athlete training center
D. It will be demolished and rebuilt for future events
