

So \_\_\_\_\_ and ask her

For happy ever after

'Cause nobody knows what's coming

So why not take a \_\_\_\_\_ on loving?

Come on, \_\_\_\_\_ the glass and tempt me

Either half-full or half-\_\_\_\_\_, yeah

'Cause if it all comes down to \_\_\_\_\_

The glass is tippin' in my \_\_\_\_\_

And I can't \_\_\_\_\_ why

Born on a sunny day

\_\_\_\_\_ a tangerine sky

I live life without \_\_\_\_\_

I'm a sucker for happy \_\_\_\_\_

Thanks for the lemonade
