PART 2

In this part of the test, you will complete two different tasks. You will have **90 seconds** to respond each task.

#	TASK 	TIME 
④	A friend of yours wants to get a second college degree and would like your advice. Your friend is considering attending a small local school instead of an expensive, well-known university. What are the advantages and disadvantages of this idea?	90 Seconds 
⑤	The principal at the local high school is considering adding cooking classes to replace some traditional science classes. She wants to educate all young people about eating healthy foods. I am a member of the school board. Tell me what you think about this idea and try to convince me to agree with you.	90 Seconds
