## PART 2

In this part of the test, you will complete two different tasks. You will have **90 seconds** to respond each task.

| # | TASK                                                                                                                                                                                                                 | TIME        |
|---|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|
| ④ | Your friend is thinking about leaving college so he can play music full time. He wants to take time to travel with his rock band while he is still young. What are the advantages and disadvantages of this idea?                                                                                       | 90 Seconds  |
| ⑤ | The number of students at a local school has grown. Some teachers have suggested moving the students to a new school building to solve this problem. Many parents think this is a bad idea. I am the school Principal. Tell me what you think about this idea and try to convince me to agree with you. | 90 Seconds  |
