Hello from the Road!

Who are we? Hi, I'm Lucas. I'm Argentinian, but now I live in New York. I'm 29 and I'm a photographer. My big passion is... hiking!

Hello, I'm Emma. I'm from a small village in France and I live in New York, too. I'm 30 and I'm a music teacher.

We're married and our blog is 2OnFootUSA. We love nature! In our photos, Lucas always has the big camera and I have the backpack.

Welcome to our blog about walks in the USA. One beautiful place each month!

2OnFootUSA

- MARCH: We're in New York, in Central Park. The park is very big and beautiful. It's lovely here, just trees and people with their families or dogs.
- APRIL: This month we are in Arizona, in the desert. The rocks are red and amazing. People ask, "Are you hot?" "Yes, we are, and we're very thirsty!"
- MAY: This month, hello California! We're by the ocean. The people here are very helpful. They always ask: "Do you like the beach?" "Where is your next walk?"
