Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the best answer to each of the following questions from 23 to 30.

Cultural diversity refers to the variety of traditions, customs, languages, and lifestyles that exist within different communities around the world. It encompasses the different ways people live, celebrate, communicate, and perceive the world. Embracing cultural diversity allows us to **appreciate** the unique qualities of each group and learn about different ways of life, making our world more colorful and interconnected.

One of the most visible aspects of cultural diversity is the range of festivals and traditions celebrated globally. From the Lunar New Year in China to Carnival in Brazil, each festival has its own unique customs,

LIVEWORKSHEETS

symbols, and meanings. These events often reflect the history and values of **their** respective cultures, offering a glimpse into what is important to their people. Participating in or learning about these celebrations helps to foster understanding and respect among different cultures.

When comparing different cultures, we can see notable differences in values and social norms. For example, Japanese culture emphasizes harmony, group cohesion, and respect for others, often prioritizing the needs of the community over individual desires. On the other hand, American culture tends to value individualism, freedom of choice, and self-expression, often encouraging people to pursue their own goals. Despite these differences, both cultures share a commitment to their own forms of respect and societal well-being, showcasing the diverse ways societies can thrive.

Maintaining cultural diversity is crucial in our rapidly globalizing world. As technology and migration bring people closer together, there is a risk of cultural homogenization, where unique traditions may **fade away**. By valuing and preserving cultural diversity, we not only honor our shared human heritage but also ensure that future generations can experience the richness of different perspectives and practices.

Question 23 [698691]: Which of the following is **NOT** mentioned as one of the aspects of cultural diversity?

A. traditions B. customs C. languages D. life skills

Question 24 [698692]: The word **appreciate** in paragraph 1 is OPPOSITE in meaning to?

A. respect B. disregard C. accept D. acknowledge

Question 25 [698693]: The word **their** in paragraph 2 refers to _____.

LIVEWORKSHEETS

A. events B. values C. cultures D. people

Question 26 [698694]: The phrase **fade away** in paragraph 4 could be best replaced by _____.

A. preserve B. foster C. disappear D. emerge

Question 27 [698695]: Which of the following best paraphrases the underlined sentence in paragraph 3?

A. Examining cultures reveals that there are often no major differences in their values and norms.

B. When comparing different cultures, we find that their values and social norms are quite similar.

C. When we compare different cultures, slight differences in values and social norms become obvious.

D. When we compare different cultures, distinct differences in values and social norms become apparent.

Question 28 [698696]: Which of the following is TRUE according to the passage?

A. Cultural diversity mainly focuses on shared values and common traditions across societies.

B. Celebrations like the Lunar New Year and Carnival have identical customs and symbols worldwide.

C. Both Japanese and American cultures prioritize individual freedom and self-expression above all.

D. Cultural diversity is at risk due to globalization, which may cause unique traditions to disappear.

Question 29 [698697]: In which paragraph does the writer mention a **contrastive relationship**

A. Paragraph 1 B. Paragraph 2 C. Paragraph 3 D. Paragraph 4

Question 30 [698698]: In which paragraph does the writer provide a definition related to culture?

A. Paragraph 1 B. Paragraph 2 C. Paragraph 3 D. Paragraph 4

LIVEWORKSHEETS

Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the best answer to each of the following questions from 31 to 40.

Online scams have become a serious issue in today's digital world, affecting millions of internet users worldwide. These scams, often designed to steal personal information or money, come in many forms, such as phishing emails, fake websites, and fraudulent online transactions. As the internet becomes more integrated into our daily lives, it also becomes a tool for scammers to exploit **unsuspecting** individuals. The increase in online fraud highlights the urgent need to understand the causes and find effective solutions to protect users.

One major reason for the rise of online scams is the lack of awareness among internet users. [I] Additionally, the rapid development of technology has given rise to sophisticated techniques used by cybercriminals. [II] Scammers often use social engineering tactics, such as pretending to be trusted companies or government agencies, to deceive victims. [III] The anonymity of the internet also makes it difficult to trace and catch these criminals, allowing them to continue their activities with minimal risk. [IV]

The consequences of falling victim to online scams can be severe. Financial losses are the most immediate and obvious impact, as victims may lose their savings or have **their** credit card details stolen. Beyond financial damage, scams can also lead to emotional distress, as victims often feel betrayed and violated. In some cases, personal information obtained through scams is used for identity theft, causing long-term problems for the victim, such as legal issues and damaged credit scores. **The ripple effects of these scams can be devastating, not only for individuals but also for businesses and financial institutions.**

LIVEWORKSHEETS

240

To combat online scams effectively, several preventive measures need to be **implemented**. Raising public awareness about common types of scams and teaching people how to recognize warning signs are crucial first steps. Companies should also invest in stronger cybersecurity systems to detect and prevent fraudulent activities. Moreover, individuals should be cautious about sharing personal information online and use strong, unique passwords for their accounts. By combining education, technological solutions, and personal vigilance, we can significantly reduce the risks posed by online scams and create a safer internet environment for everyone.

Question 31 [698699]: Where in paragraph 2 does the following sentence best fit?

Many people do not realize the risks associated with sharing their personal information online, making them easy targets for scammers.

A. [I] B. [II] C. [III] D. [IV]

Question 32 [698700]: The word **unsuspecting** in paragraph 1 could be best replaced by _____.

A. attentive B. conscious C. unaware D. uncertain

Question 33 [698701]: The word **their** in paragraph 3 refer to?

A. consequences B. victims C. online scams D. details

Question 34 [698702]: According to paragraph 1, which of the following is NOT mentioned as a form of online scam?

A. phishing emails B. fake websites C. fraudulent online transactions D. investment fraud schemes

LIVEWORKSHEETS

Question 35 [698703]: Which of the following best summarises paragraph 3?

A. Online scams can lead to minor financial losses but have no lasting legal impacts.

B. The effects of online scams can be severe, including financial, emotional, and legal issues.

C. Victims of online scams often face financial problems, but emotional harm is less common.

D. Online scams are mostly harmful, affecting only those with weak online security practices.

Question 36 [698704]: The word **implemented** in paragraph 4 is OPPOSITE in meaning to _____.

A. introduced B. executed C. enforced D. abandoned

Question 37 (698705): Which of the following is **TRUE** according to the passage?

A. Online scams are becoming less common as users learn to protect their data.

B. Scammers mainly focus on businesses rather than individual internet users.

C. Technological advances have helped scammers use more sophisticated methods.

D. Raising public awareness is enough to completely stop online fraud attempts.

Question 38 (698706): Which of the following best paraphrases the underlined **sentence** in paragraph 3?

A. The consequences of these scams are often severe, mainly affecting financial institutions and large companies.

B. These scams typically cause serious harm to financial institutions while leaving individuals mostly unaffected.

C. The impact of these scams can be far-reaching, affecting not just individuals but also businesses and financial institutions.

LIVEWORKSHEETS

D. The ripple effects of these scams are limited, mostly influencing individual victims without impacting financial institutions.

Question 39 (698707): Which of the following can be inferred from the passage?

A. A combination of awareness, technology, and caution is essential to minimize online scam risks.

B. Personal vigilance is unnecessary if companies implement strong cybersecurity measures.

C. Online scams have become less common because users are now more cautious with their data.

D. Most online scams are easy to detect, but users still fall victim because of poor internet skills.

Question 40 (698708): Which of the following best summarises the passage?

A. Online scams are rare occurrences but often happen because careless users share personal information online without considering the potential risks involved.

B. Online scams mainly target businesses and individuals, but advanced technology and better security can help prevent them effectively in the long term.

C. The primary cause of online scams is weak internet security, and only stricter regulations and better enforcement can truly reduce their harmful effects.

D. Online scams are increasing due to user unawareness and evolving techniques, causing serious impacts, but can be mitigated with combined preventive measures.
