

Bars and Melody - Hopeful

Please help me God, I feel so alone

I'm just a kid, I can't take it on my own

I've cried so many tears, yeah, writing this

Trying to fit in. Where do I belong?

I wake up every day, don't wanna leave my home

My mamma's askin' me why I'm always alone

Too scared to say, too scared to holler

I'm walking to school with sweat around my

I'm just a kid, I don't want no stress

My nerves are bad, my life's a mess

The names you call me, they hurt real

I want to tell my Mom

She's havin' trouble with my Dad

I feel so trapped, there's nowhere to

Come to school

Don't wanna fight I wanna

So please mister Bully

Tell me what I've done

You know I have no Dad

I'm livin' with my Mom

'Cause I'm hopeful, yes, I am

Hopeful for today

Take this music and use it

And be hopeful, hopeful
And He'll make a way
I know it ain't easy but that's okay
Just be hopeful

Why do you trip at the colour of my skin
And whether I'm fat or whether I'm
You call me loser, you call me a fool
I ain't got a choice, I gotta go to school
I wish I had an angel to stick by my side
I'm shaking with fear, I'm so scared inside
Doesn't really matter if I ain't got the looks
Why do you always hurt me and destroy my ?
'Cause I'm hopeful.....

I give you all my money every single day
I didn't ask to be born but now I have to
I ain't got no food, you take all I have
When I give it to you, you search through my bags
I wrote this song for you to see
We could've been friends, yeah you and me
Mister bully, take a moment please
Every single day you bring me to my
'Cause I'm hopeful

What I wear is all I have
We lost our home, I'm livin' from a
