Read this email from your English-speaking friend James and the notes you have made.

From:	James
Subject:	Italian restaurant

Hi,

I went to an amazing Italian restaurant with my family last night. I'm sure you would love the food there. Why don't we arrange to go next week?

It's in the city centre and we could go by bus.

We could invite Peter and May. I know they love Italian food!

Let me know what day would be best for you.

See you soon.

James

What a wonderful idea!
