Hi guys, it's Annie here! It's the weekend!

I'm writing this post in my room at home. My friend Erin is here. We're playing video games. We play FIFA most Saturday mornings. What are you doing?

1 p.m.

Back online. We're sitting in a café in Amsterdam. I'm having a burger and milkshake, and Erin is having a sandwich. We're watching the people outside. There's a girl with a great outfit. She's wearing cool sunglasses, a retro dress, and big black boots.

2 p.m.

We're standing in a place called the Fashion Library. It's a clothing store near the café. Mila, the girl from before, is telling us about it. People take clothes they don't want any more to the Fashion Library, so other people can wear them! Every month you pay a small amount of money, and then you can borrow any clothes you like. There are some amazing T-shirts with great designs. I'm thinking about joining the library. Erin's not sure – she's saving her money for a new pair of sneakers!
