What is Messi's daily routine?

Leo gets up at 6 o'clock. Then he has breakfast with Antonella, he eats some toasts and cereals with lots of mate, of course! Later he gets dressed. He goes to school with Thiago, Mateo and Ciro. At 10.00 goes to football practice with the team.

La Pulga and his team play football and do exercise for two hours. They have a break with the other team players, they play truco and have some more mates. Then he goes home and he helps Antonella to cook lunch. They love salad and milanesa napolitana!

After lunch, Lio plays metegol with the kids, or they sing some karaoke: old cumbia all the time! He doesn't check Instagram or TikTok, he thinks it's boring! They always play "catch" with Hulk: the dog loves football too!

In the afternoon, Lio goes to the club with the kids, and they all do football practice. Thiago likes to make goals, but Ciro sometimes is the goalkeeper, and he is great!

In the evening, the family are at home they don't watch TV. They check their World Cup album or play some FIFA together. Antonella always wins!

Lio goes to bed at 10.00 pm, he kisses Anto and the kids good night and dreams with his abuela and the World Cup.
