

What does he wear?
Where does he work?
When does he work?

He wears a white hat.
 He works at the hotel.
 He works in the afternoon.

Look! We can use time phrases to answer questions about time.
 at night in the day / evening / morning / afternoon

I / You	I go to work in the day. I don't go to work at night.
He / She	She works at the café. She doesn't work at the shop.
We / They	They bake cupcakes. They don't bake bread.

Look! To make the sentence, I go to work in the day, I don't go to work at night.
