BOOK DAY

Year 5's favourite books and characters

I love the Alex Rider books by Anthony Horowitz. Alex Rider is my hero. He's 14 years old. He's got brown eyes and short brown hair. He's a student at Brookland Comprehensive School. He doesn't live with his parents; he lives in London with his guardian, Jack Starbright.

Alex doesn't go to school every day. He's a spy; he works for MI6. He doesn't drive a James Bond car, but he rides an amazing bike with lots of spy gadgets. He speaks four languages. He likes sport. He plays football and he does karate. He's a black belt. Alex's surname is Rider, but does he like horses? No, he doesn't! Alex has fantastic adventures in the books. I recommend them!
