Spit out blood to write your

That is how you paved the

You're about to reach the

Only one step

All the highs and
All the tears and the
You've been there through it
Been through it all, just do it

Now you got to (I believe)
'Cause you know what it
To be living my
At the top of your

Feel it, got everything you
Now bring it like you
Just like you

Dale, olvida lo que
Juega como tú
Como tú
