

SESSION N°7

READING ABOUT THE WHITE HOUSE

1. READ

Listen and read. Then, answer the questions.

The White House

The President of the United States of America lives in Washington, DC. His address is 1 600 Pennsylvania Avenue, or 'The White House'.

And yes, it's a big white building.

There are 6 floors in the White House - 2 floors for offices and visitors, 2 floors for the President and his family and 2 basements. There are 132 rooms, 35 bathrooms and 3 lifts in the White House.

There are 412 doors and 147 windows. There's also a swimming pool, a gym and a cinema and there are beautiful gardens all around the building.

Lots of people work at the White House.

The president's office is called 'The Oval Office'. It's a round office without corners!

About 6,000 people visit the White House every day. That's about two million people a year!
