That Tim planted at a mountain top.

Is Tim's story about twenty-two tall trees

At the mountain top totally true?

Thomas takes a table in a Turkish restaurant

To taste twenty-two hot tomatoes.

If Thomas didn't take a table in the Turkish restaurant,

Could he taste twenty-two hot tomatoes?

It takes Ted twenty minutes to travel to town by tram,

It takes Toby twelve minutes to travel to town by train,

It takes Tony ten minutes to travel to town by taxi.

What a terrible transport system!

I have always believed that a man must be honest. «Never ask for money you have not earned», I always said.

Now I shall tell you a story which will show you how honest I have always been all my life.

A few days ago at my friend's house I met General Miles. General Miles was a nice man and we became great friends very quickly.

«Did you live in Washington in 1867?» the general asked me.

«Yes, I did,» I answered.

«How could it happen that we did not meet then?» said General Miles.

«General», said I. «We could not meet then. You forget that you were already a great general then, and I was a poor young writer whom nobody knew and whose books nobody read. You do not remember me, I thought, but we met once in Washington at that time».

Why do you cry, Willy?

Why do you cry?

Why, Willy? Why, Willy?

Why, Willy, why?

Whether the weather be fine,

Or whether the weather be not,

Whether the weather be cold,

Or whether the weather be hot,

We'll weather the weather

Whatever the weather,

Whether we like it or not.

[t], [w]

Twinkle, twinkle, little star,

How I wonder what you are.

Up above the world so high

Like a diamond in the sky.
