My Family Trip to Bandung

Last month, my family and I went on a short trip to Bandung during the school holiday. We left Jakarta early in the morning and arrived in Bandung before noon. Everyone was excited because it was our first family trip in a long time.

First, we visited a famous park and took many pictures together. Then, we had lunch at a local restaurant and tried some traditional Sundanese food. After that, we went to a strawberry farm, where we picked fresh strawberries and learned how they were grown. Before returning to the hotel, we bought some snacks and souvenirs for our relatives.

The trip was fun and memorable. I enjoyed spending time with my family and visiting new places. It was one of the best holidays I have

ever had.
