B. Come to this place if you're looking for a place to live in
C. Come to this place if you want to buy a house.
D. You want to buy an apartment here.

Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

My future home will be a convenient and eco-friendly semi-detached house situated in a quite ecologically clean neighborhood. In front of the house, there will be a green lawn and flowers with a barbecue for parties. My house will have a large kitchen fully equipped with appliances, a pantry, a dining room, a laundry room, a cozy living room: with a large sofa, and windows overlooking the swimming pool. There will be five bedrooms with separate modern bathrooms. And I want my room to be spacious with a balcony full of flowers.

Moreover, I want to have the newest and the most modern furniture and Artificial Intelligence to make meals and clean up the house when I wake up. Additionally, it will automatically turn on some soft music and turn off the light before I sleep. Security with fingerprint recognition technology locks, in my opinion, will be one of the essential parts of my future house so that no burglar can break into my home or steal valuable items. Solar energy will be used to power appliances so that I don't have to pay much for electric bills and help protec the environment. A robot will take over household chores, and it will level up my life. I think my automatic house will make my life easier and worth living. I'm looking forward to living in my own house soon.

Question 31. What is the main idea of the passage?
A. The different types of houses.
B. The writer's dream of a future home.
C. How to build an eco-friendly house.
