

Level up your Sentences

Read the following tips to enhance the quality of your sentences.

Add Descriptive Words

Introduce adjectives to provide more information about the subject.

Include Adverbs

Incorporate adverbs to describe how the action is performed.

Paint a clearer picture

Add more specific details to paint a clearer picture.

Use Vivid Verbs

Replace common verbs with more expressive ones.

Include a Setting

Add a setting or context to enhance the sentence.

Complex Sentences

Combine sentences or add extra information to create complex sentences

Incorporate Emotions

Include emotional cues to connect readers with the sentence.

Use Similes or Metaphors

Include comparisons to make the sentence more imaginative.

Task: Level up the sentences by adding more details, descriptive words, and complexity to make the sentence more interesting and engaging. Remember to use the techniques above.

1. The cat walked.

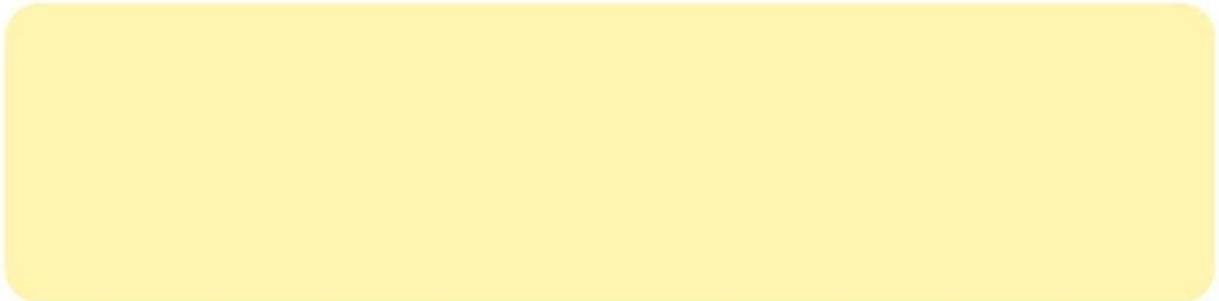

2. The sun shone.

3. She laughed.

4. They played.

5. The house looked old.
