Procedure Text

How to Make a Glass of Lemonade

A procedure text is a text that explains how to make or do something through a sequence of steps.

Generic Structure

1. Goal / Aim

It states the goal or what is going to be achieved.

2. Materials

It lists the ingredients or things needed.

3. Steps

It explains the steps or instructions in order to achieve the goal.

Useful Tips

- Read all the steps before doing.
- Follow the steps in order.
- Use connecting words: *First, Next, Then, After that, Finally.*
- Be careful and patient!

Example

How to Make a Glass of Lemonade

Goal: To make a refreshing glass of lemonade.

Materials:

- 1 lemon
- 2 tablespoons of sugar
- 1 cup of water
- Ice cubes
- A glass
- A spoon

Steps:

1. First, cut the lemon in half.
2. Next, squeeze the lemon and pour the juice into a glass.
3. Then, add 2 tablespoons of sugar.
4. After that, pour 1 cup of water into the glass.
5. Stir well with a spoon until the sugar dissolves.
