

Serie numérica ascendente

Escribe el número que falta en cada espacio.

A caterpillar-shaped number sequence puzzle. The caterpillar's body is composed of five rows of colored circles. The first row starts with a green circle containing a smiling face with two antennae. The sequence of numbers and blanks is as follows:

- Row 1: 1 (red), 2 (orange), (yellow), 4 (light green), (green)
- Row 2: (pink), 8 (purple), (blue-purple), 6 (blue), (light blue)
- Row 3: 10 (red), (orange), 12 (yellow), 13 (light green), (green), 15 (blue)
- Row 4: (red), (pink), 17 (purple), (blue-purple)
- Row 5: 20 (orange), (yellow), 22 (light green), (green), 24 (blue)
