Our Travel Stories

Anna

Last month, I travelled to Japan with my family. Before the trip, my mum bought travel insurance for all of us because she said it was important. At the airport, we went through immigration, but

there was a small problem because I could not find my passport at first. Luckily, it was in my backpack. After that, everything was fine.

Ben

I went to Thailand with two friends. We wanted to stay at a cheap hotel near the beach, but I forgot to make a reservation before we arrived. The hotel was full, so we had to find different accommodation. In the end, we stayed in a small hostel with many other backpackers.

Chloe

My school trip to France was very well planned. Our teacher gave us an itinerary with all the places we would visit each day. Our first destination was a famous museum in Paris. Before shopping for souvenirs, I went to a currency exchange office because I needed euros.
