## EXERCISES

### A) READ THE TEXT BELOW:

Last year

I **visited** my mother and **studied** French. I **didn't have** many problems and I **made** a lot of friends. I **went** to the USA and **learned** English, too. I **saw** different places and **had** time to take pictures. I **didn't drink** beer, I **drank** only soda. I **ate** barbecue and **slept** late on weekends. I **started** a business and **worked** a lot. My business **helped** me learn and understand things. I **didn't want** to live in the USA because I love Brazil. My life **changed** and I **had** many things to do every day. I also **finished** what I **started** in 2003: an English course. I **didn't lose** anything, I only **won**. This **was** the best year of my life. Everything **went** fine.
