Holiday plans

Denis

Next month I finish college, and I am going on a trip with my college friends. We finish classes on June 15th and we leave two weeks later. We don't have a lot of time to plan it. We are going to Nicaragua for three weeks. First, we are flying to Managua, and then we are going to stay in Granada for a few days. After that, we want to visit some nice beaches. We are going to travel by car. I got my driver's license last month, and my friends have their licenses too.

We are students, so we don't have a lot of money. I don't have enough money, so my parents gave me some. I am going to give it back to them later. I have a job for August at a hotel restaurant in my town. I am going to work there until September to save money.

Sara

I am going to have a great summer! First, I am going to a summer sports camp with my sister. I love sports! This camp is great because it has two swimming pools and six tennis courts. We went to this camp last year for the first time, and I made good friends there.

When we come back, I am going to an art festival with my best friend, Noura. Noura and I are neighbors and very good friends. We know each other very well! We both love this festival. It is a small town festival and we go every year. It has three days of music, art, and a lot of fun. It is a great way to end the summer!

12. Denis and his friends are going to travel by car on the trip.	TRUE	FALSE
13. Denis used his own money to pay for the trip.	TRUE	FALSE
14. Sara went to the summer sports camp last year.	TRUE	FALSE
15. Sara has two different plans for the summer.	TRUE	FALSE

B. Read the email. Then choose the correct answer.

Hi Rawan,

I am writing this email to tell you about me. We are going to work together on the marine biology project. It is great that our schools are working together. My teacher says you are my partner, so I want to tell you about me.

I study marine biology at the university. I finished high school two years ago. I did not go to university right away. First, I went to Thailand for six months to do biology work. It was amazing! Some friends and I are going to Thailand again next summer for one month.

My family lives in New York. I have an older brother. My family loves art. No one likes science. I am the only scientist in my family! My brother is an architect, my mom is a TV actress, and my dad is a film director.

I don't know many people at university, but I have a great roommate. Her name is Kelly. We met on the first day of classes and we are close friends. Kelly studies French, so we are not in the same class, but we have free time together. We go to the gym every day. I lift weights three times a week and I go swimming on weekends. Next week, we are going to a cooking class together.

Write to me and tell me about yourself!

All the best,

Liza
