

On holiday at the farm

Hello! My name's Ben. I live in the (1)_____ centre with my parents and my (2)_____, Peter. Peter's younger than me. He's five and I'm (3)_____. Last Saturday, Dad took us all to our grandparents' farm in his car. Grandma and (4)_____ live on a farm that's near the sea. We love going there.

There's always something exciting to go and see at their (5)_____. On Sunday, my brother asked, "Can we go and see the horses, Grandpa?" "Yes!" Grandpa said. "And I can show you our two new baby (6)_____! They're only one week old. I'd like you to choose (7)_____ for them!" Grandpa added. "Good idea!" Grandma said.

Peter and I laughed when we saw the (8)_____ horses! They had pretty brown eyes and made funny noises when we said, "Your new names are Cloudy and Star!" On (9)_____, we both rode Mr Jim, Grandpa's oldest horse, around the (10)_____ field. Peter and I really loved that holiday. It was fantastic.
