

# FILLING THE GAPS IN A DAILY ROUTINE

**Students are expected to listen attentively, identify individual words within connected speech, and write down the exact missing nouns in the correct spelling on their printed worksheet.**

Every day, I wake up at 6:30 AM. First, I go to the (1) \_\_\_\_\_ and make a cup of coffee. Then, I read the (2) \_\_\_\_\_ on my phone for ten minutes. After that, I take a quick (3) \_\_\_\_\_ and get dressed. I usually leave my (4) \_\_\_\_\_ at 7:45 AM to catch the (5) \_\_\_\_\_ to work.
