

## MODULE 5: MY NEW HOUSE – THINGS IN THE ROOM

Read the text.

### In the Living Room

Hi, my name is Darren. My family and I like to spend our time in the living room. We have a lot of things in our living room. We have a blue sofa, a brown coffee table, a painting of a mountain, a red carpet, a family picture and a tall cupboard.

In the afternoon, my brother likes to do his homework on the sofa. My mom likes to read books. In the evening, my mom and my dad like to drink tea in the living room. On the weekend, we usually sit on the sofa while watching our favourite TV show.
