

READ THE PASSAGE AND ANSWER THE QUESTIONS.

Last weekend, the seventh grade went to New York City and watched *The Phantom of the Opera* on Broadway. It was our school's first-ever trip to Broadway and was a really fun time.

The music was very well done. The actors were talented singers and very good dancers. The set itself was artistic and amazing. Being at a Broadway musical was a very unique experience. We had really good seats in the theater, so we could see everything perfectly. Plus, our seats were really comfortable.

After the musical was over, we went to eat pizza. New York pizza is very famous and it was delicious. At the restaurant, we had to wait a long time to sit down and eat. While we were waiting, we went outside of Central Park. There was a group of acrobats putting on a show for everyone to watch. They jumped and flipped so high and fast. It was almost as impressive as watching *The Phantom of the Opera*.

After we had pizza, we went to our hotel and had an awesome night together as a class. We played games in the hotel's recreation room. It was so much fun going to New York, and we are sad that our trip had to end. Next year, the sixth-graders will be going to New York to see a Broadway show. We hope **they** get to see *The Phantom of the Opera*, but we are sure any show **they** watch will be great.
