

Unit 4

Modals: Obligation-Prohibition-Necessity-Advice

1) Click on the correct option.

“How to use music to relax”

- a) You **should / don't need to** listen to calm music.
- b) You **don't have to / mustn't** listen to heavy metal. It's not relaxing!
- c) You **ought to / shouldn't** sit in a comfortable position.
- d) You **need to / mustn't** concentrate in the music.
- e) To help you concentrate, you **don't need to / should** close your eyes.
- f) You **shouldn't / mustn't** be with other people when you listen to music. It's far better if you are alone.
- g) You **don't have to / have to** wear headphones, but it's better if you have them.

2) Complete the sentences with the modals from the box.

must	have to	don't have to	mustn't	need to	should	shouldn't
------	---------	---------------	---------	---------	--------	-----------
