

1. Read and write.

A mountain

Grass

A river

A tractor

Ground

Leaves

The green parts of a plant or tree. They grow on branches.

A big farm machine. Farmers use it to work in the field.

A long area of water. It moves and flows to the sea.

A green plant. It grows on the ground and animals eat it.

The surface of the earth that we walk on

A very high area of land with steep sides. It is higher and bigger than a hill, and people often climb it.

2. Look, read and write.

driving
feeding

planting
watering

cleaning
collecting

She's _____ the
chickens.

She's _____ the
eggs.

He's _____ the
plants.

He's _____ the
tree.

He's _____ the
tractor.

They're _____
the barn.

3. Write about a day at the farm.

Hi, my name's John. I have a day at the farm with my family. The farm is big and beautiful. In the morning, I feed the chickens and water plants. In the afternoon, I play with a small dog and walk around the farm. I see many trees and flowers. I like the farm because it is quiet and clean. I feel happy there. How about your day at the farm? What animals or things can you see? What do you do? Do you like the farm? Why?
