CEFR
Common European Framework
of Reference for Languages

LESSON PLAN

YEARLY PLANNER

Prepared by the teacher before each lesson.

Organisation of the teaching and learning content throughout the year.

The Common European Framework of Reference for Languages (CEFR) is an international standard for describing language ability.

Comprises Learning Content, Learning Standards and Performance Standards, which pupils are required to achieve within a specified period and stage of schooling.

The diagram consists of a funnel with four horizontal sections, each containing an icon and a red question mark. Lines connect these sections to icons and text boxes on the right:

- Blue section:** Contains a globe icon and a red question mark. Connected to a target icon and an empty text box.
- Teal section:** Contains a document icon and a red question mark. Connected to a document with a cube icon and an empty text box.
- Orange section:** Contains a calendar icon and a red question mark. Connected to a calendar icon and an empty text box.
- Purple section:** Contains a clipboard icon and a red question mark. Connected to a clipboard with a person icon and a text box containing the **LIVEWORKSHEETS** logo.
