There are five people in my family: Mum, Dad, my two brothers and me, of course! Oh, and our pet lizard. We all get on very well, but we are very different. For example, I'm very ¹ **lazy** / **efficient** with schoolwork because I get bored, but my older brother is always studying. He's really ² **conscientious** / **challenging**. My younger brother is very ³ **active** / **curious**, he's always doing a sport or an activity at home. He's always moving! I prefer reading and watching films to doing physical activities. And I love watching our pet lizard! She's called Alexandra and she's so ⁴ **colourful** / **brainy** and beautiful, she's a mix of different kinds of oranges and greens.
