

# Listening Sheet: The Smoky Mountains National Park

Students: Use this page to take notes while watching the video. Tell someone what you learned!

The Smoky Mountains National Park is in the \_\_\_\_\_ part of the U.S.

The Cherokee people named it Shaconage, which means “place of \_\_\_\_\_ smoke.”

Also, a lot of the money was raised to buy and preserve the land.

Even school kids donated their \_\_\_\_\_ to the effort.

Some people even refer to the park as \_\_\_\_\_

\_\_\_\_\_.

Well, John and Margaret \_\_\_\_\_ had \_\_\_\_\_ children. The kids grew up; some got married and moved away. But \_\_\_\_\_ sisters stayed and inherited the 122-acre homestead after John Walker died.

They could no longer farm, chop trees, or live off the \_\_\_\_\_.

The sisters figured out other ways to make a \_\_\_\_\_.
