Subject: Music Festival

I'm really glad you want to take part in the music festival in July. Could you just give me some more information?

The festival lasts for five nights and I'm trying to arrange the programme, so could you tell me something about the kind of music your band plays?

The other thing I'd like to know is whether you'd prefer to play on the first night of the festival or the last.

And where do you and the band want to stay? We're going to camp at the festival, so do you want to do that too?
