

1 Every day, Lisa gets up at 6:00 AM.

2 She goes to the bathroom to wash her face and brush her teeth.

3 Then, she walks to the kitchen to feed her pet cat.

4 Lisa shares a bedroom with her sister, so she always helps to tidy the room.

5 In the afternoon, she helps her mom do housework. She dusts the table, cleans the floor, and waters the flowers in the garden.
