MATHEMATICS WORKSHEET: COUNTING COINS

How to do: Count on and on to find the total amount of the coins.

Count all the coins and write the total in the box.

a)	5 1 1 1 1 Cent Cent Cent	cents
b)	$ \begin{array}{c c} \hline 5 \\ cents \end{array} $ $ \begin{array}{c c} \hline 5 \\ cents \end{array} $ $ \begin{array}{c c} \hline 1 \\ cent \end{array} $ $ \begin{array}{c c} \hline 1 \\ cent \end{array} $	cents
c)	10 5 5 cents 1 cent 1 cent 1 cent	cents
d)	$ \begin{array}{c} 10 \\ \text{cents} \end{array} $ $ \begin{array}{c} 5 \\ \text{cents} \end{array} $ $ \begin{array}{c} 5 \\ \text{cents} \end{array} $ $ \begin{array}{c} 5 \\ \text{cents} \end{array} $	cents
e)	$ \begin{array}{c c} \hline 10 & 10 \\ cents \end{array} $ $ \begin{array}{c} \hline 10 \\ cents \end{array} $ $ \begin{array}{c} \hline 5 \\ cents \end{array} $ $ \begin{array}{c} \hline 1 \\ cent \end{array} $	cents
f)	$ \begin{array}{c} 5 \\ \text{cents} \end{array} $	cents
g)	10 10 10 10 10 cents cents	cents

Tick (V) some coins to show the amount of money. (Some are extras).
