peaceful atmosphere. Like most cottages, my house will be quiet.

The front of the house will be made of stone and it will have a nice wooden roof with a chimney on the top. I will use space in my house efficiently. There will be a living room, four bedrooms, two bathrooms and large windows that will let in a lot of natural light.

In the living room, there will be a reading table, a sofa, and a computer. The reading table will become a dining table in the evening, and the sofa will turn into a bed at night. I might not even cook, but I will buy canned food from the supermarket.

I love flowers, so I will plant various kinds of flowers around the house. I think it might be really lovely. I will take a lot of photos of flowers every day. This is my hobby.
