Hello there hero!

My name is Andun, I'm an old Dwarf. I live here, on Golden Farm for 25 years. I have a family and dog named Sisi. Sisi likes to play with my best shoes! In one shoe I have my Silver Ring. I don't know where she took that shoe.

Can you find it for me? Bring me my Silver Ring, please. Sisi likes to play in fresh water and around trees.

Please, help me! I can give you some gold coins for it.
