

P!NK – A Million Dreams

I close my and I can see
A world that's up for me
That I call my own
Through the dark,.....
Through where no one's been before
But it feels like
They can say,it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, if they call me
We can live in a world that we design
'Cause, I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world we're gonna
There's a we can build
Every inside is filled with things from far away
Special things I compile
Each one there to make you smile on a
However big however small, let me be part of it all
Share your dreams with me
We may be, we may be
But I wanna bring you along to the world I see
To the world we close our eyes to see
We close our eyes to see....
