**③ III Part: Reading Comprehension. (8 points)**

**Safety in the Computer Lab**

David is a student at Preston Elementary School. He enjoys creating animations in the computer lab every Wednesday. His teacher, Mr. Miller, gave the class important rules. First, students must create a strong password using letters, numbers, and symbols, and they should never share it. Second, they must not share personal information like their home address or telephone number. Finally, when browsing for school projects, students should only visit safe websites that display a green padlock symbol next to the web address. David always signs out of his account before he switches off his computer.

Read the passage and choose an answer for each question. (4 points)

1. Where does David go to create animations on Wednesdays?
  - A) The science lab
  - B) The art room
  - C) The computer lab
  - D) The schoolyard
2. What should a strong password include according to Mr. Miller?
  - A) Only letters
  - B) Letters, numbers, and symbols
  - C) Only the student's name
  - D) The student's birthday
3. What symbol tells David that a website is secure and safe to visit?
  - A) A red cross
  - B) A yellow star
  - C) A green padlock
  - D) A blue arrow
4. What does David do right before switching off his computer?
  - A) He prints his project.
  - B) He signs out of his account.
  - C) He emails his friend.
  - D) He changes his password.

### Jane's Theater Surprise

Last month, it was the opening night of the school play, *Aladdin*. Jane Hill was playing a princess on stage. Everything was going perfectly. Aladdin and the princess were sitting on a magic carpet when, suddenly, the carpet stopped moving! The actors accidentally fell off onto the stage floor. Jane thought the audience would be disappointed, but the children and parents thought it was part of the comedy! They thought it was very funny and clapped and cheered loudly at the end.

Read the following article and choose an answer for each question. (4 points)

1. What play was Jane Hill performing in?

- A) Mary Poppins
- B) Aladdin
- C) Toy Story
- D) The Laughing Lion

2. What happened while the actors were on the magic carpet?

- A) The curtain closed.
- B) The lights went out.
- C) The carpet stopped moving.
- D) The music stopped.

3. What did the actors do when the carpet stopped?

- A) They ran away.
- B) They fell off onto the stage.
- C) They started to sing.
- D) They called an ambulance.

4. How did the audience react at the end of the play?

- A) They were angry.
- B) They left the theater early.
- C) They thought it was sad.
- D) They laughed, cheered, and clapped
