

Relaciona cada pieza con sus correspondientes vistas de planta, alzado y perfil

The exercise consists of seven 3D objects on the left and a grid of 28 2D views on the right. The 3D objects are: 1. A blue L-shaped block with a vertical wall on the right side. 2. A yellow T-shaped block. 3. A red block with a diagonal cut. 4. A blue block with a diagonal cut. 5. A green stepped block. 6. A blue block with a diagonal cut. 7. A pink block with a diagonal cut. The 2D views are arranged in a 7x4 grid, with each row corresponding to one of the 3D objects. The views include top, front, and side views for each object.
