PRE TEENS 1 SEPTEMBER TEST

1. READING COMPREHENSION

Read the text and complete the exercise below.

My name is Clara. I live in a quiet village called Green Valley, but my cousin, Thomas, lives in New York. Green Valley is smaller and quieter than New York. Here, the air is clean, and the people are very kind.
Last summer, I visited Thomas in New York. New York is the largest city in the USA, and it is much busier than my village. We watched many famous places. We walked to the park, which seemed like one of the largest parks in the world.
In Green Valley, I usually ride my bike to school because everything is nearby. However, in New York, we traveled by subway because it helped us move faster than the bus. I love my cousin's life, but I think Green Valley is the best place for me because it is the most peaceful village in the world!
