Taylor is twenty-eight years old. She is a singer and she works in a large recording studio. She lives in a beautiful apartment in the city. Last year, things were different. She lived in a small town. She worked in a coffee shop and she walked to work every day. She practiced her singing a lot.

Now, her life is busy. She gets up at 7:00 AM every day. She eats fruit for breakfast and drinks a cup of tea. Then, she takes a taxi to the studio. She likes her job because she makes music.
