# Unique Hotels

Which do you like – the world of science or the world of fiction? In this week's vacation post, we discover a hotel made for fans of nature and another hotel for fans of stories.

## Bubble Hotel, Allauch, France

Just imagine sleeping in a giant, clear bubble in a forest. That's exactly what happens here. At night, hotel guests lie in bed and watch the stars and moon. Each bubble has a comfortable bed and a nice bathroom with a shower. There's also an air-conditioner to keep the room cool in summer and a heater to keep it warm when it's cold outside.

Each bubble room is different. Guests choose the "Zen" bubble if they want to feel relaxed. Or they stay in the "Love Nature" bubble for a beautiful view. Sometimes there are rabbits and squirrels playing outside. Is there anything missing? Well, yes, there isn't a TV because no one needs a TV in a bubble!

## The Roxbury, New York, the United States

In the mountains near New York City, there's a very unusual hotel. Its name is the Roxbury. It has many rooms, but every single room is different. There's the Wizard's Emeralds room, for example. It has a yellow "road" in the middle – just like in *The Wizard of Oz*. There's a green shower in the bathroom with big red flowers on the walls.

### Do you like sweet things?

Maryann's Coconut Cream Pie room looks just like a dessert – good enough to eat! The bed is round like a pie, and the ceiling looks like whipped cream.

### How about space?

When you walk into George's Spacepad, you see an enormous red bathtub. It glows in the dark! There isn't a shower, but there are silver curtains, crazy lights, and two cozy sofas. It's really out of this world!
